Storage Equipment
Design and Manufacture

佛山市优固仓储器材有限公司
Foshan Yougu Storage Equipment Co., LTD

关于我们

佛山市优固仓储器材有限公司是一家专业致力于仓储物流器具产品的的开发设计、生产、销售的大型专业厂家。主要产品有：仓储笼系列、金属网箱系列、物流台车系列、汽车零部件专用台车系列、堆垛架（巧固架）系列、金属托盘系列、以及其它客户特殊用途的仓储物流器材。

目前众多产品与服务已广泛应用于物流、配送、电子、汽车、制药、军工、电力、空调、食品等多个行业中。在国内合作的知名企业有：广汽乘用车、广州本田、广州丰田、格力、美的、可口可乐、怡宝、景田康师傅、农夫山泉等

通过ISO9001:2000国际质量管理体系

About us

Foshan Yougu Storage Equipment Co., Ltd. is a lindustry leading professional manufacturer which specialized in design and development and production of logistics and warehousing equipment and its main products are storage cage, all kinds of metal container, metal pallet, table trolley and stacking rack and auto sapre parts trolley table etc. At present, the company's production and sales scale is leading among peers . product be widely used in Auto ,household electrical appliances,food and drinks industry,express and logistics etc.,major customer such as Honda, Toyota, Midea, Gree, TCL, Galanz and other domestic and foreign famous enterprises.

ISO9001:2000 -Certified

Cooperative enterprise 合作伙伴

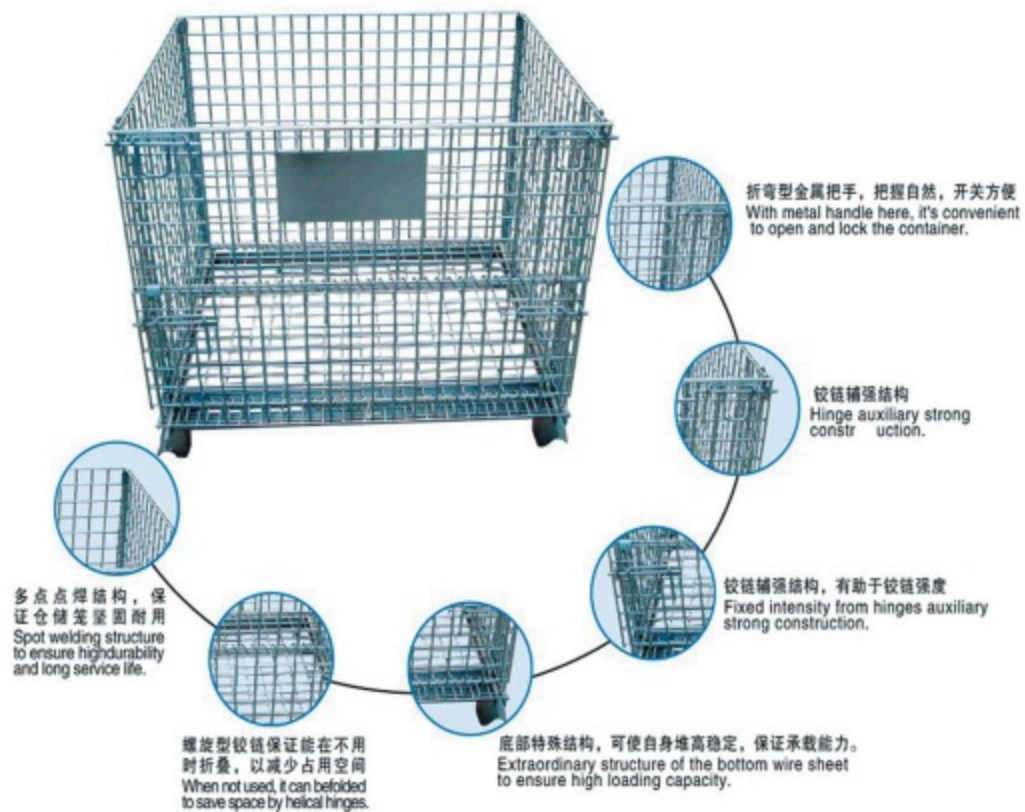

目录

仓储笼	1-4
Wire mesh container	
金属箱	5-7
Metal cage	
通用型物流台车	8-10
Roll container	
汽车行业专用物流台车	11-12
Auto roll container	
巧固架 / 堆垛架	13-15
Stacking rack	
金属托盘	16
Metal pallet	

常规款式仓储笼

collapsible wire mesh container

仓储笼组合操作说明 Handling Instruction

Item	Size(mm) L*W*H	Mesh size(mm)	Wire Dia.(mm)	Volum(m ³)	Capacity(kg)
YG-001	1200*1000*890	50*50	6	0.84	1400
		50*100	6		1000
YG-002	1000*800*840	50*50	6	0.52	1200
YG-003	800*600*640	50*50	6	0.22	800

可根据客户使用场景和要求定制各种尺寸和参数
any size and parameters can be customized according customer usage scenario and request

1. 易于储存及清点统计, 方便存取货品,
2. 可折叠节省空间, 空闲时可折叠存放
3. 经久耐用, 牢固美观
4. 可配脚轮, 叉车, 托盘车
5. 根据客户使用场景定制产品, 保证利用最优节省成本

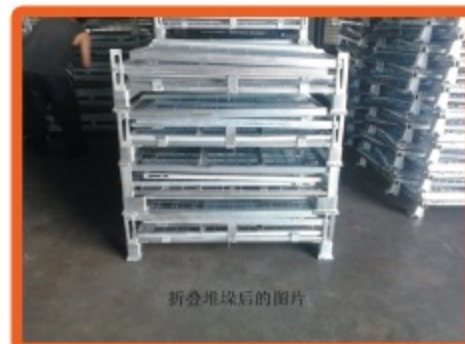

Tow bar add 带牵引

Add PP sheet 配塑料中空板

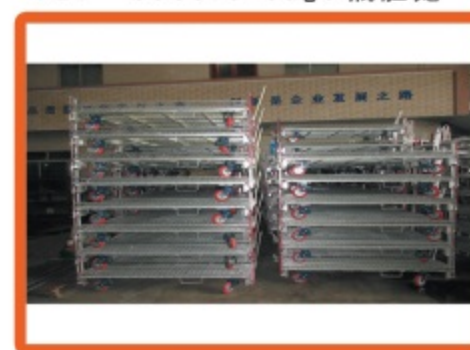

PET bottle cage 瓶胚笼

折叠以后的图片

collapsible 瓶胚笼折叠效果

With foot and castor stacking 带脚架和脚轮堆叠效果

With foot and castor 带堆叠脚架和脚轮

1. The bottom is adopted the U-channel steel to strengthen the loading intensity assures the stability
2. Adopting the multipoint spot welding technique assures the wire container durable.
3. Individual bolt assures the easy opening of the door when the wire container is heaped
4. Yougu unique foot stem enhances stability
5. Metal board on bottom and side, stronger bearing force stronger protection
6. The top is fixed by clamp that assures the intensity of the hinge.

Stacking 堆叠效果

collapsible 折叠效果

Item	Size(mm) L*W*H	Mesh size(mm)	Wire Dia.(mm)
YG-101	1150*1000*1150	50*50	5
	Volumn(m ³)	stacking layer	Capacity(kg)
	1	5	2000

Size and style design according customer usage scenario and request 尺寸和参数根据客户使用场

承重更大, 经久耐用, 使用寿命更长
所有易损耗零配件易拆卸
焊接牢固, 强度高
可堆叠6层

More Bearing capacity durable , longer service life
Easy to seprate and change for all the quick-wear part
New welding technology, stronger and much durable
collapsible 6 layers

折叠金属箱 Foldable metal cage

周转车 Roll container

折叠台车

Foldable Roll container

Easy to move and storage
Design resonable style to meet customer solution
The Door and layer can be add or reduce

移动方便,易于储存
可根据客户使用方案设计各
种款式加门加层板

汽车行业专用物流台车

Auto Roll container

Design for specific trolley table container according customer's Auto part ,support professional drawing 、 sample and volume production all-round service
 根据客户汽车零部件图纸,提供专业的物流台车设计方案和打样
 ,批量制造全方位服务

Stacking rack 堆垛架.巧固架

承载堆叠图

可多层相互堆垛, 收放自如, 不占空间
 Stacking each other multilayer reduce logistics cost
 Full use of space
 Direct loading and flexible movement
 Triangle rail stacked design, improve the stability and durable

巧固架使用特点

轻巧不占空间, 可多层叠放, 收放自如

Stacking rack usage 巧固架使用场景

Metal pallet / 金属托盘
